The four Lions (one hidden from view) - symbolizing power, courage and confidence - rest on a circular abacus. The abacus is grided by four smaller animals - guardians of the four directions: The lion of the north, the elephant of the east, the horse of the south and the bull of the west. NATIONAL FLAG

The Indian flag was designed as a symbol of freedom. The late Prime Minister Nehru called it a flag not only of freedom for ourselves, but a symbol of freedom to all people.

The flag is a horizontal tricolor in equal proportion of deep saffron on the top, white in the middle and dark green at the bottom. The ratio of the width to the length of the flag is a sheel in navy blue to indicate the Dharma Chakra, the wheel of law in the Saranath Lion Capital. Its diameter approximates the width of the white band and it has 24 spokes. The saffron stands for courage, sacrifice and the spirit of renunciation; the white, for purity and truth; the green for fertility.

That we shall overcome, someday.

We shall live in peace, someday
Oho! Deep in my heart, I do believe
That we shall live in peace, someday.

We'll walk hand-in-hand – (2)

"HEAL THE WORLD"

2

There is place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You will find there's no need to cry
In this place you'll feel
There's no hurt or sorrow

There are ways to get there If you care enough for the living Make a little space make a better place....

Heal the world Make it a better place For you and for me and The entire human race

There are people dying
If you care enough for the living
Make a better place for
You and for me

If you want to know why
There's a love that cannot lie
Love is strong
It only cares for joyful giving
If we try we shall see
In this bliss we cannot feel
Fear or dread
We stop existing and start living

Then it feels that always Love is enough for us growing So make a better world Make a better world

Heal the world Make it a better place For you and for me and The entire human race

There are people dying If you care enough for the living Make a better place for You and for me

And the dream we would conceive in Will reveal a joyful face
And the world we once believed in Will shine again in grace
Then why do we keep strangling life Wound this earth, crucify its souls
Though it's plain to see, this world is Heavenly
Be god's glow.

We could fly so high
Let our spirits never die
In my heart feel
You are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn
Their swords into plowshares

We could really get there If you cared enough for the living Make a little space to make a better place....

Heal the world
Make it a better place
For you and for me and
The entire human race
There are people dying
If you care enough for the living

Make a better place For you and for me. Heal the world Make it a better place For you and for me and The entire human race There are people dying If you care enough for the living Make a better place For you and for me.

Heal the world
Make it a better place
For you and for me and
The entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me

There are people dying
If you care enough for the living
Make a better place
For you and for me

You and for me You and for me You and for me
